WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation
which may leave the bronchial tubes and lungs weakened and susceptible to attack from
the germs of Pneumonia or Consumption.

FOLEY'S HONEY AND TAR

not only stops the cough but heals and strengthens the lungs and prevents serious results
from a cold. Contains no opiates.

**It Saved His Life After the Doctor Said
He Had Consumption.**

W. R. Davis, Vissalia, California, writes: "There is no doubt but
what *Foley's Honey and Tar* saved my life. I had an awful cough
on my lungs and the doctor told me I had consumption. I commenced
taking *Foley's Honey and Tar* and found relief from the first and
three bottles cured me completely."

A Policeman's Testimony.

J. N. Patterson, night policeman, of Nashua, Iowa, writes: "Last
winter I had a bad cold on my lungs and tried at least a half-dozen
advertised cough medicines and had treatment from two physicians
without getting any benefit. A friend recommended *Foley's Honey
and Tar* and two-thirds of a bottle cured me. I consider it the
greatest cough and lung medicine in the world."

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the
\$1.00 bottle almost six times as much. **Refuse Substitutes.**
